ASHA Survey – Learning Outcomes Knowledge

The Acute Case for Chronic Health: Vital Lessons in Weathering Duress

David Katz, PhD | February 9, 2021

1. Participants will explain “total harm minimization” and how, as a method, it can be a way to minimize the negative impact of a pandemic health crisis.

   The speaker covered this learning outcome with satisfactory results

   Strongly Agree———- 1    2    3    4    5———Strongly Disagree

2. Participants will describe what type of “risk-based interdiction” policies can help to shelter and protect the most vulnerable citizens while also phase back to normalcy those lower risk groups.

   The speaker covered this learning outcome with satisfactory results

   Strongly Agree———- 1    2    3    4    5———Strongly Disagree

3. Participants will explain how to take a positive clinical response, that is informed by data, during a time of crisis such as a pandemic.

   The speaker covered this learning outcome with satisfactory results

   Strongly Agree———- 1    2    3    4    5———Strongly Disagree
